## Scope and Topics

The symposium will focus on all aspects of science, technology and applications of advanced materials and methods in the offshore industry.

The following are preliminary topics and emphases:

- Corrosion
- Coatings
- Composites
- Fatigue / Fracture
- New Materials
- Pipelines / Flowlines / Risers
- Welding / Weld Procedures

## Abstract/Paper Submission

Prospective authors are invited to submit a copy of the abstract electronically in 300-400 words by November 15, 2002. Please indicate on the abstract that it is intended for the Symposium.

Full papers are due by January 20, 2003. All papers will be rigorously reviewed prior to acceptance. The accepted papers will be included in the Conference Proceedings, which will be available at the Conference and for worldwide distribution. Papers of archival value will be further considered for publication in the **International Journal of Offshore and Polar Engineering**. For information on format for submission of abstracts and papers, visit [www.isopec.org](http://www.isopec.org), or e-mail to [meetings@isopec.org](mailto:meetings@isopec.org).
