ISOPE PACOMS-2012

10th Pacific/Asia Offshore Mechanics Symposium

Vladivostok, Russia, September 30 - October 4, 2012

The 10th ISOPE Pacific/Asia Offshore Mechanics Symposium (PACOMS-2012) will be held following the APEC Summit Vladivostok in September. The high-standard conference and accommodation facility (www.isopec.org >PACOMS) will be completed early 2012. The Symposium is being organized by the ISOPE PACOMS-2012 Symposium Organizing Committee (SOC), and Local Organizing Committee (LOC). It will be held in Vladivostok, hosted by the Far Eastern Federal University. Previous 9 ISOPE PACOMS symposia have successfully been held: Seoul, San Francisco, Beijing, Busan, Daejeon, Vladivostok, Dalian, Bangkok and Busan.

The purpose of the 10th Symposium is to provide a timely international forum for researchers and engineers interested in "Energy and Arctic Engineering" and to promote technical cooperation at an international level. We hope that this occasion will provide an excellent opportunity for researchers and engineers to discuss technical progress and cooperation.
