7th Frontier Energy Resources Tech (FERT) Symposium

On behalf of the symposium organizing committee, we like to invite experts to submit abstracts to the 7th Frontier Energy Resources Technology Symposium. In response to growing attention on Shale Gas & GTL, Coal Gasification & CTL, Oil Shale & Oil Sand, EOR & Heavy Oil and CCS, ISOPE continues building a framework and networking to expand these sessions. The purpose of this symposium is to provide the state-of-the-art knowledge in the development of these resources by working together with university, research organization and industry.

Special ISOPE room rate at top 4+star hotel starts from $169/night.
