ISOPE Scholarship for Outstanding Students

For 2011–2012 School Year

Application Deadline: April 15, 2011

The **International Society of Offshore and Polar Engineers (ISOPE)** encourages students to study and/or to conduct research in any of **Offshore Mechanics, Ocean, Arctic, and Related** Engineering fields, or to participate in the annual ISOPE Conferences. For this purpose, ISOPE grants scholarships of **\$1,000 each** to outstanding graduate students and entering new graduate students for the academic year 2011–2012. **Three to five scholarships** were granted each year. The recipients are encouraged to join the ISOPE student membership.

Each scholarship offered is a competitive one. Sex, race, age, religion, nationality, etc. are not factors for consideration. The awardees are selected by the ISOPE Award Committee vote. The committee members are balanced in geopolitical distribution. No more than one scholarship shall be awarded in the same year to the applicants from one university.

To apply, **email** the following information in **electronic files** to info@isope.org, the ISOPE Awards Committee, 495 North Whisman Road, Suite 300, California 94043-5711, USA.

(1) An official graduate school transcript for current graduate students, **or** the official undergraduate transcript for graduate students who didn't complete 2 semesters and for entering graduate students; **(2)** a letter of recommendation from the thesis supervising faculty, department chairperson, or any ISOPE member directly to info@isope.org, and **(3)** an application form.

To get **application forms**, **download** from ISOPE's website: www.isope.org > **Students**.

Past Award recipients for 1991-2010 were at: Curtin Univ of Tech (**Australia**), Griffith Univ, Monash Univ Univ of Western Australia, Univ of British Columbia, Memorial Univ of Nfld (**Canada**), Dalian Univ of Technology (**China**), Karlsruhe Univ (**Germany**), Aristotle Univ of Thessaloniki (**Greece**), Univ 'Mediterranea' of Reggio Calabria (**Italy**), Univ of Tokyo, Saga Univ (**Japan**), Nagoya Univ (Japan), Yokohama National Univ, Osaka Sangyo Univ, Saitama Univ, Osaka Pref Univ, Hong-ik Univ (**Korea**), Univ of Incheon, Inha Univ, Seoul National Univ, TU Delft (**The Netherlands**); Far Eastern State Tech Univ (**Russia**), Natl Univ of Singapore (**Singapore**), Natl Cheng-Kung Univ (**Taiwan**), Univ of Oxford (**UK**), Imperial College, Univ of Strathclyde, Newcastle Univ, Univ of Newcastle Upon Tyne, M.I.T. (**USA**), Colorado School of Mines, Stanford Univ, Virginia Tech, Univ of Calif at Berkeley, Texas A&M Univ, Univ of Texas at Austin, South Dakota School of Mines, Univ of New Orleans, Univ of Hawaii at Manoa, and Ukraine State Maritime Tech Univ (**Ukraine**).

ISOPE holds the *Annual International Offshore and Polar Engineering Conferences (ISOPE)* (with annual conference proceedings in 2,500–4,200 pages), and specialty and regional symposia with active graduate student participation. Its technical program has been the world's largest of its kind with refereed papers. ISOPE also publishes its principal periodical, Quarterly *International Journal of Offshore and Polar Engineering*.

ISOPE Scholarship

Application Form

1. The full name as it would appear on your official academic transcripts.

Family Name First Name (Given Name) Middle (or Maiden) E-mail address

2. Date of birth (day/mo/yr): ____ / ____ / - ____ ____ Male ____ Female

3. Complete mailing address including the university name:

City _____ ZIP or Postal Code _____ Country _____

4. Fax No.: _____ Phone No.: _____
