

Join us in Rhodes (Rodos) - The island of the Knights with one of the most splendid histories in the World

Since ISOPE-1992, the annual ISOPE conference has been the world's largest technical conference of its kind with **peer-reviewed** papers. Proceedings are **indexed by Thomson Scientific and Technical Proceedings (ISTP), Web of Science, Google Scholar, Engineering Index, EI Compendex, Scopus, Chemical Abstracts and more**. Following the **all-time record-breaking attendance at ISOPE-2007 Lisbon, the conference has continued to set new records, receiving 1,700+ abstracts for ISOPE-2015 Hawaii**. The conference is being organized by the Technical Program Committee (TPC) of the **International Society of Ocean and Polar Engineers (ISOPE)** with 30+ cooperating organizations. Its objective is to provide a timely international forum for researchers and engineers.
