

ISOPE-2019 Conference Authors Honored with Russian Federation Government Award for Science and Engineering in 2019

Cupertino, California, July 31, 2020 — Two ISOPE-2019 Conference Co-Authors have received the Russian Federation Government Award for science and engineering in 2019, the highest recognition by the government for scientists in Russia, for their polar research.

The awardees, *Dr. Konstantin A. Kornishin*, Rosneft Oil Company, Moscow, and *Dr. Yaroslav O. Efimov*, Arctic Research Centre, Moscow, are two of the co-authors of the ISOPE-2020 Best Paper, *Morphometric Parameters of Stamukhas in the Laptev Sea* by *Yevgeny U. Mironov, Roman B. Guzenko, Viktor S. Porubaev, Victor V. Kharitonov, Stepan V. Khotchenkov, Aleksandr V. Nesterov*, Arctic and Antarctic Research Institute (AARI), St. Petersburg, Russia; *Konstantin A. Kornishin*, Rosneft Oil Company, Moscow, Russia; *Yaroslav O. Efimov*, Arctic Research Centre, Moscow, Russia. The authors represent some of the world's renowned research institutes.

Dr. Kornishin and Dr. Efimov thanked The International Society of Offshore and Polar Engineers (ISOPE) and Prof. Jin S. Chung, the Conference organizer and editor, personally, “for very positive and productive collaboration,” adding, “ISOPE provided our research team a great platform and basis for open communication and contribution!”

The International Society of Offshore and Polar Engineers (ISOPE) previously [announced](#) that the authors are recipients of the **2020 ISOPE Best Paper Award**.
